

# FREE APPRENTICESHIP RESOURCES

## FOR TEACHERS

### Apprenticeship Pack

The Apprenticeship Pack and accompanying teacher handbook is a free resource that enables students aged 16-19 to easily explore the range of apprenticeships available, including higher and degree levels. It contains 35 interactive tasks and activities for students to work through with five teacher-led summary sessions.

### Apprenticeship Webinars

You can register to attend live on Wednesday evenings or watch any of our previous webinars again. All of our webinars are 15 minutes each and packed full of useful content, ranging from how to apply for an apprenticeship to what employers look for in a potential new apprentice.

### Short Films

Explore our range of inspirational and informative films, helping to explain apprenticeships. All of our films are accessible directly on the website and Vimeo so you won't have any problems with YouTube being blocked.

### Extra Resources

We've collected together a helpful set of additional free resources all in one place, including posters and checklists. To keep up to date you can register to receive our monthly e-newsletter so you never miss a free resource again.

How do I access the resources?
